

DIGITAL MARKETING

↳ 5s of DM

Framework of measurable objectives to ensure digital marketing efforts are aligned with business goals.

Purpose: Serves as a Strategic roadmap. Its purpose is to provide a structured approach to planning, managing and optimizing a company's online presence by integrating the customer journey with right tools & objectives.

- i) Sell: Grow sales through the channel (e.g.: E-commerce Revenue)
- ii) Serve: Add value for customers (e.g.: online support).
- iii) Speak: Get closer to customers by conducting research
- iv) Save: Generate cost efficiencies
- v) Sizzle: Extend the brand experience online. (viral videos).

Types of Digital Media

- i) Owned Media :- Website; total control
- ii) Earned Media :- Exposure gain through word of mouth

- (iii) Paid Media :- External marketing spend to drive traffic
E.g:- Ads, Banners-

Week 02:-

5P:- purpose is to provide holistic marketing mix adapted for the digital landscape. It forces business to look beyond just advertising (Promotion) and ensures that the "Product" fits the online market, the 'Price' is competitive in a web, the 'place' (platform) offers a seamless experience & the 'People' build a community around the brand.

4C model:- Prioritize customer's experience and value over the company's product; It is used to:

i) Build Trust (ii) Reduce Friction (iii) Improve Relevance

- 1) Consumer (replaces product): focuses on the buyer's wants, needs & problems rather than just the features of product.
- 2) Cost (replace to price):- costlier's total cost to the customer, including time, effort.
- 3) Convenience (Replace Place):-
- 4) Communication (Replace promotion).

Week #03

FD's of Digital Marketing :- Comprehensive digital Marketing. It covers full lifecycle from planning to execution.

The 7D's are:-

- i) Digital device (ii) Digital platforms (iii) Digital media
(iv) Digital data (v) Digital Tech (vi) Digital Customer Experience
(vii) Digital Transformation (viii) Digital goals (ix) Digital audiences

↓↓↓

Used to create a seamless customer experience

REACH → ACT → CONVERT → ENGAGE

(Strangers) → (Visitors) → (LEADS) → (CUSTOMERS) → REPEAT
